- ***What are the four key elements in a government?***
- ***Are all forms the same?***

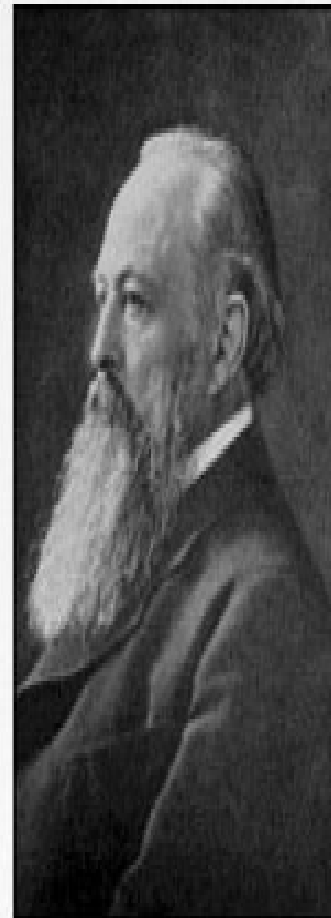

So for the forms of government...

- **WHO has the power?**

 - Nobody
 - OR a small group chosen by the people

How MUCH power?

- **Total!**
 - *North Korea*
- **None!**
 - *Revolution*

- **Some**
 - *Checks and Balances*

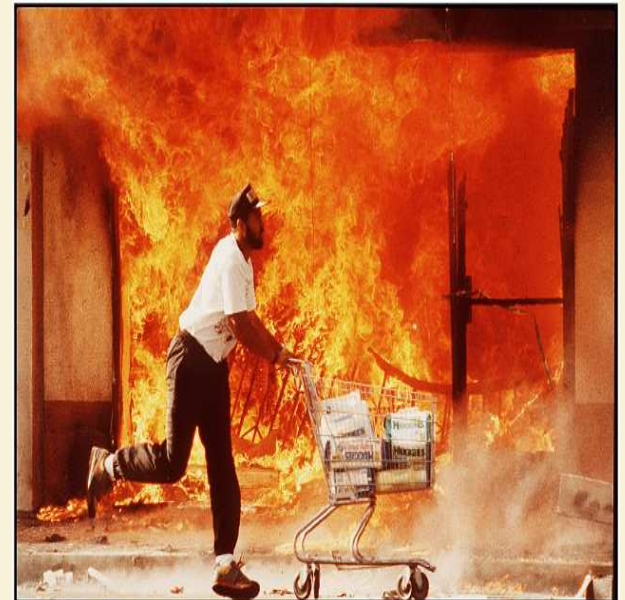

"ALL POWER
TENDS
TO CORRUPT
AND
ABSOLUTE
POWER
CORRUPTS
ABSOLUTELY."

LORD EMERICH EDWARD DALBERG ACTON (1834-1902)

Anarchy

- *Anarchy only works when you're alone.*

- **One Political Party rules all**
- **They ARE elected... but when there's only one choice, how does that work?**
- **China, Cuba**
 - *There will be MUCH more on this later...*

Monarchy

- **Power is held by a King or Queen**
 - *(or similar title, like Emperor, Czar, or Prime)*
- **Power passed down from birth / blood**
- **No elections, not chosen, it “just is”**
- **Saudi Arabia, England in the past...**

Democracy!

Democracy is the worst form of government, except all the others that have been tried.

- Winston Churchill

- **The people have the power. They vote on issues, laws, etc.**
- **Rule of majority**
- **Ancient Greece, Switzerland**
- *Are we a true democracy?*
- **We are....**

Republic

“And to the republic, for which it stands”

- **Democratic, because people vote, BUT...**
- **The people choose leaders to represent them, and then the leaders make the laws, enforce, etc.**
- **Protect minorities**
- **The people can also replace those leaders.**
- ***Could this become other forms?***

Which is the best?

- Are there advantages to each?
- Disadvantages?
- Also, do you have to have a system that is **JUST** one?
- Most countries in the world today are a combination of several things....
